

WILD GOOSE SESSIONS

Celtic Christians had a name for the Holy Spirit – **an Geadh-Glas, or The Wild Goose**. The name hints at mystery. Much like a wild goose, the Spirit of God cannot be tracked or tamed. An element of danger, an air of unpredictability surrounds Him. What if this Spirit wanted to propel us to explore a life of creative response to the Creator? A wild goose chase! Most of us will have no idea where we are going most of the time. This can be unsettling on one hand but it can also go by another label: **Adventure**.

You are invited to four evening sessions where we can explore that we were made to create. Each session will have a theme with opportunities to unlock, enhance and express our creative potential. It is open for anyone regardless of where you are in your creative journey.

4 Themed Sessions: Finding Space, Beginning the Journey, Myths & Legends, Culture Care ...with story-telling, readings, discussion, creative contributions.
